The Delta Academy is located at Delta Balustrades' offices in Sandbach, Cheshire, within a mile of Sandbach railway station and offering easy access from the M6. Manchester Airport is around a 35 minute taxi journey.

Delta House, Millbuck Way, Sandbach, Cheshire CW11 3JA

THE DELTA ACADEMY

In today's fast-changing world, keeping abreast of new techniques, technologies and new regulations is an essential part of our working lives. The Delta Academy is a state-of-the-art centre for learning, set up to inform, educate and inspire.

Our regular events, conferences and seminars, allow construction and supply chain professionals to share in the latest knowledge and best practice across the sector. The topics covered at the Academy are varied, in-house events cover subjects around the manufacture, construction, testing and installation of balustrades, to others presented by third parties that discuss the construction industry in a variety of contexts.

Find out about and register for forthcoming events at www.delta.academy/p/events

WHAT ARE THE ACADEMY'S FACILITIES?

"WE HAVE A PASSION TO SUCCEED AND WANT TO INSPIRE OTHERS TO DO SO TOO"

Delta Balustrades' guiding principle is "we get satisfaction from helping people succeed" and that extends beyond just helping our people, to all those in the construction sector.

The Delta Academy springs from, and shares, that principle. It is a not-for-profit initiative, designed to support best practice and knowledge-sharing across the construction sector.

WE PROVIDE 'EXPERTISE YOU CAN LEARN FROM'

The Academy is located at Delta Balustrades' head office and offers a large space, within which are separate areas for lectures, practical demonstrations, hands-on training and group discussions. Its flexible, open-plan format lends itself to a wide variety of configurations according to the purpose of each event.

The comprehensive set-up includes full audio and visual equipment. There is excellent Wi-Fi coverage for live video streaming if required.

The Academy has its own catering facilities and can accommodate up to 80 people when set up in lecture format, or up to 50 seated at tables.

- CPD presentations
- Factory tours
- Interactive workshops
- Staff training
- Balustrade safety demonstrations
- British Standards compliance
- Accredited Installer Scheme training

The Academy's facilities are also available for hire to businesses wishing to run their own training or meetings, with discounted prices available to those in the construction industry. Call 01270 753 383 or email info@delta.academy for details.

THE DELTA ACADEMY ETHOS

WE FACILITATE CONTINUOUS LEARNING THROUGHOUT THE CONSTRUCTION SECTOR

"We firmly believe that knowledge sharing and a collaborative approach to driving best practice are the only ways to continue raising standards in the construction sector, ensuring the built environment is more sustainable and more cost effective throughout its lifecycle."

Stephen Boyt, Managing Director, Delta Balustrades Ltd
